Honorable Claudia Wilken

**DECLARATION OF CHARLA HONEA
IN SUPPORT OF STIPULATION TO
CONTINUE MEDIATION DATE AND
EXTEND MEDIATION DEADLINE;
MEDIATOR'S CONCURRENCE;
[PROPOSED] ORDER**

I Charla Honea, declare as follows:

1. I am the President of Matsunoki Group, Inc., plaintiff in this action. I am over 18 years old and not under any testimonial disability. I have never been convicted of a felony. I have personal knowledge of the facts set forth herein. If I were sworn as a witness at any hearing in this case, I could competently and truthfully testify as follows:

2. The parties in this case previously stipulated to mediate this matter before Mark LeHockey on August 7, 2009.

3. However, on July 6, 2009, I underwent a significant emergency surgical procedure for an incarcerated hernia which necessitated a hospital stay and a protracted recovery period.

4. As of July 21, 2009, I was still recovering from my surgery and other medical issues and I was not confident that I would be well enough to travel for the scheduled August 7 mediation.

5. On July 29, 2009, my doctor who performed the surgery, Dr. Cohen, authored a note verifying the status of my recovery and expectation that I would be well enough to travel to California for the mediation after September 8, 2009. A true and correct copy of the note from Dr. Cohen is attached hereto as Exhibit A.

I declare under penalty of perjury under the laws of the State of Tennessee and of the United States of America that the foregoing is true and correct and that this declaration was executed this ____ day of September, 2009, in _____.

Charla Honea

I declare under penalty of perjury under the laws of the State of Tennessee and of the United States of America that the foregoing is true and correct and that this declaration was executed this 10th day of September, 2009, in Mill Valley, CA.

RE: Charla Honea

To Whom It May Concern:

Charla Honea underwent emergency surgery for an incarcerated hernia on July 6, 2009. She was hospitalized for a few days but made an excellent recovery. She was examined again in follow up on July 16, 2009. It is my understanding that she was to appear in San Francisco for a legal proceeding on August 7, 2009. It is certainly understandable to me why she would have difficulty making that trip so soon after a large emergency surgical procedure. I suspect she will be fine by Labor Day.

Sincerely,

Jonathan A. Cohen, M.D.

I am readily familiar with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with postage thereon fully prepaid in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after the date of deposit for mailing in affidavit.

I hereby certify that I am employed in the office of a member of the Bar of this Court at whose direction the service was made.
